

Army May Send 3000 More Men Into Viet Nam

WASHINGTON (AP)—The buildup of U.S. military manpower in South Viet Nam may include the addition of up to 3,000 Army men to provide more on-the-spot advisers and trainers in the battle zones.

Another 200 or 300 American Navy men and a somewhat larger number of Air Force men are expected to be included in the over-all expansion of several thousand over a period of some months.

Washington officials say about 16,250 American military advisers and trainers already are in South Viet Nam, deployed in the field with government forces or with headquarters staffs.

Here's how the total breaks down:

Army, about 10,000; Air Force, about 5,000; Navy, about 750; Marines, about 500.

There was speculation that the boost in aircraft strength might mean the assignment of more C123 transport planes. The C123, a propeller-driven plane designed especially for landings and takeoff on short fields, has proved particularly valuable in supply and other missions in the war against the Viet Cong in widely scattered and remote places.

In addition to work at military assistance headquarters and in schools, a major mission of the U.S. Navy contingent is working with the small craft patrols of the Vietnamese in running down junks and sampans carrying supplies for the guerrillas.

Mackie Praises Marshall Street Widening Plan

LANSING (AP)—State Highway Commissioner John Mackie has sent a letter to city officials of Marshall commending them for an announcement they plan to proceed with a plan to widen the city's West Michigan Ave.

Spokesmen for the Marshall Chamber of Commerce protested at a hearing at Lansing last week that the proposed widening would hurt a residential section and result in the loss of many fine, old trees.

"Our plans for this project were developed with the idea this highway, when widened, will serve the future traffic needs of Marshall for many years," Mackie said, "and we are happy that you and members of the Marshall City Council agree with us."

Mackie said every effort would be made to minimize damage to trees along West Michigan Ave. The highway commissioner said the department design division is proceeding with work on the project and hopes to have it ready to be put under contract in late 1965 or early 1966.

Weather

By The Associated Press

Upper Peninsula — Partly cloudy with showers and thundershowers this afternoon and tonight. Cooler tonight. Wednesday, fair west and partly cloudy east, and cooler. Low tonight in the low 50s west, 56 to 61 east, high Wednesday in the 70s.

Lower Michigan — Mostly sunny and warm except a few widely scattered thundershowers likely southeast this afternoon. Partly cloudy with thundershowers likely tonight, and turning cooler northwest. Wednesday, thundershowers ending and becoming partly cloudy and cooler. Low tonight 55 to 63 northwest, 63 to 70 southeast, high Wednesday 75 to 85.

Highest temperature Monday 95, lowest 71.

Highest temperature one year ago today 91, lowest 71.

Highest temperature this date since 1872, 100 in 1932, lowest 54 in 1891.

The sun sets today at 8:23 p.m. and rises Wednesday at 5:27 a.m.

WITH HIS CAT "Ginger" leading the way, Sir Winston Churchill leaves to attend his last session as a member of the House of Commons. He is not seeking reelection. When he entered Parliament 64 years ago he was 25, now he is 89. (AP Wirephoto via cable from London)

Rochester Tries For Normalcy After Violence

ROCHESTER, N.Y. (AP)—Violence-ridden Rochester, described by Gov. Nelson A. Rockefeller as a victim of extremism, struggled today to regain a semblance of normalcy after a bloody weekend of race rioting.

With its uneasy peace being enforced by hundreds of helmeted city and state police, the city was paid a surprise visit Monday by the governor.

Rockefeller expressed "shock and great sadness" over what he saw during a tour of the riot-torn Negro sections.

Declaring that the racial violence was clear evidence of extremism that cannot be justified, Rockefeller said he found no evidence of outside agitators, however.

He said he felt that there was no connection with the race violence which ripped through New York's Harlem and a Negro area of Brooklyn.

The relative quiet in Rochester prompted hopes that some solution could be found to curb the simmering unrest before the week was out.

Worried officials said privately they feared another bloody

weekend might erupt when factories closed and thousands of workers were released for their normal days off.

Rochester's racial strife—fomented by thousands of Negroes and some whites—left a tragic toll of four dead, at least 350 injured and millions of dollars in property damage.

Combat-ready National Guardsmen, 1,500 strong, stood by prepared to wield bayonets and rifle butts, if necessary, to preserve law and order.

The guardsmen rolled into Rochester Sunday night on orders from Rockefeller who acted at the request of local officials.

The mob violence in Rochester—touched off when police attempted to arrest a Negro youth scuffling outside a dance hall Friday night—subsided in the predawn hours Monday.

Authorities kept an emergency nighttime curfew clamped on the city in only slightly modified form. Any citizen found on the streets without justifiable reason between 8:30 p.m. and 6 a.m. was subject to arrest.

Three judges working in 12-hour shifts, released with suspended sentences more than two-thirds of the 800-odd persons arrested in the three nights of violence.

About 250 prisoners charged with felonies—such as rioting, burglary, or larceny—were ordered held for the grand jury—with bail set at \$10,000 cash.

OTTAWA (AP)—The St. Lawrence Seaway Authority has been told that efforts to get more ships through the Welland Canal in shorter time are beginning to pay off.

A consultant firm hired by the authority to find ways of improving traffic handling through the all-Canadian canal between Lake Ontario and Lake Erie has reported good progress already and promised an even better showing in the months ahead.

The seaway authority released the second report of the firm of J. Kates & Associates of Toronto, which says that the traffic capacity of the Welland Canal "can be increased adequately during the following two to three seasons."

The report said that delays to shipping are due to heavy traffic through the single locks in the Welland system, which bypasses Niagara Falls. By improving handling of ships in the locks, by speeding up ship movements and by modifications to the lock operations, the capacity of the canal can be substantially increased, it said.

Today's Chuckle

Women can keep a secret just as well as men, but it generally takes more of them to do it.

Officials Meet To Study Lakes Water Levels

EAST LANSING (AP)—Great Lakes basin governmental and industrial officials met here today to seek a solution to near record low water levels currently plaguing the world's largest body of fresh water.

During the past 13 years, Great Lakes water levels have swung from their highest high to the lowest low in the past 100 years.

"The Great Lakes, although of inestimable benefit when on their best behavior, can quickly become an unruly giant when moved by extreme forces of nature," said Michigan Atty. Gen. Frank Kelley. "The question of how to harness this vast reservoir of water is a challenge which has faced us for several centuries."

Kelley spoke before a conference on Great Lakes water levels at Michigan State University, co-sponsored by his office and the MSU Resource Development Department. Attending are representatives of all the Great Lakes states, Canada, private industries and the federal government.

In 1951, Kelley said, a conference was held to consider damage caused by extremely high lakes water levels.

"Today, of course," he said, "the problem is reversed, since we are now being plagued with water levels which are the lowest of record in 100 years. Both of these conditions are damaging in the extreme, and we here are interested in studying the causes and exploring possibilities for achieving a reasonable control of these fluctuations."

The Great Lakes, he noted, as the largest body of fresh water in the world, vitally affect the welfare and livelihood of millions of persons living in their area. Since they lie in the very heart of the continent, they also affect the entire economy of both the United States and Canada, he said.

The current low water levels, Kelley said, are causing serious injury to a great variety of interests, including municipal water supplies, harbors and commercial terminals, bulk cargo transportation, traffic through the St. Lawrence Seaway, small boat navigation, industry and conservation interests.

Dr. King Sees Mayor Wagner

NEW YORK (AP)—Dr. Martin Luther King Jr. conferred with Mayor Robert F. Wagner today about New York's racial situation, and Harlem leaders expressed anger that King did not consult them first.

King said after the 3½-hour meeting, which ended at 2 a.m., that he would meet with "summit leaders" in the riot-torn sections of New York City.

"Matters of national importance" were discussed by King and Wagner, said one of the mayor's aides.

Before leaving Atlanta Monday night, King had urged Negroes in New York to halt violence and lawlessness, warning that they could set back the civil rights movement.

Rochester had its first quiet night since Friday, when rioting and looting broke out, but a state of emergency and a curfew still were in effect.

Drive For Party Unity Launched By Goldwater

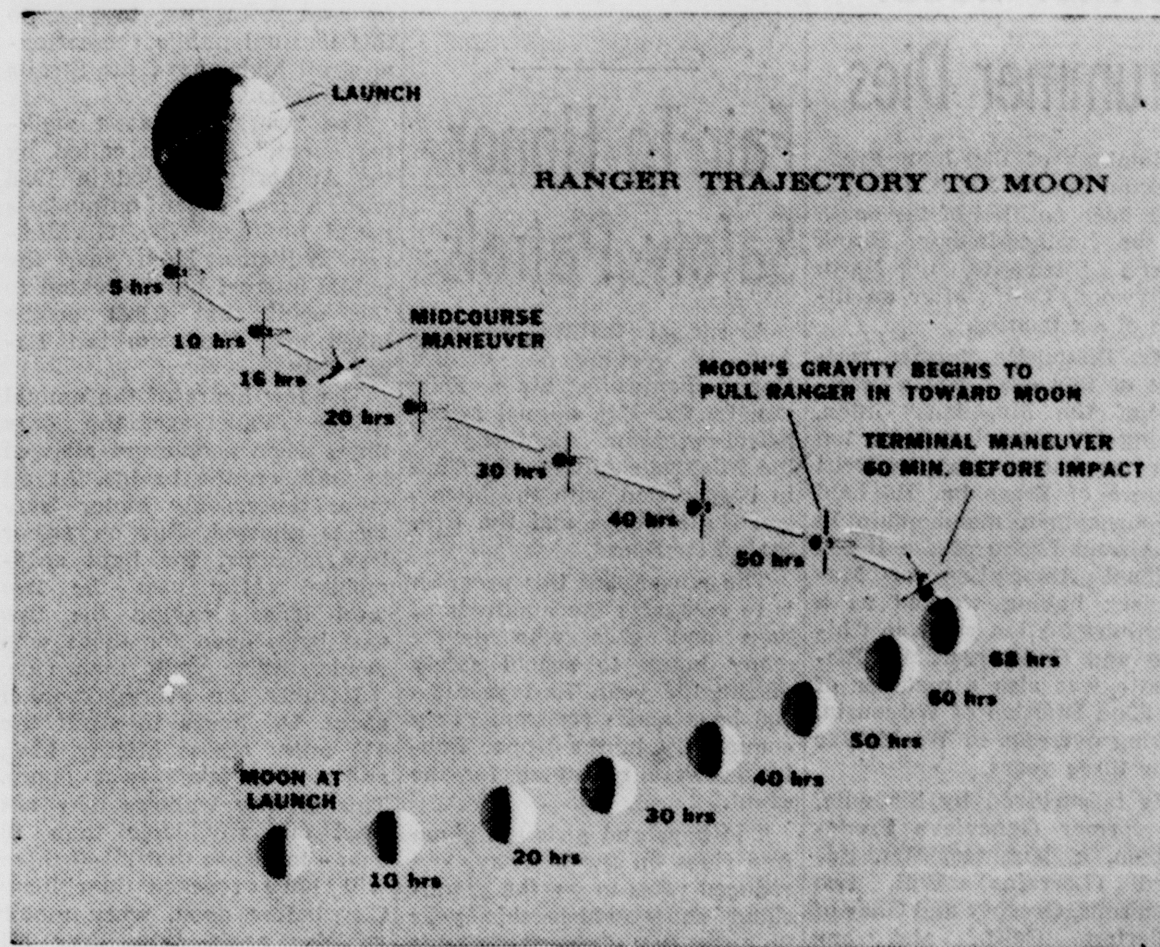

WASHINGTON (AP)—Republican presidential nominee Barry Goldwater, seeking to strengthen the GOP ticket in the coming campaign, is launching a drive for top-to-bottom party unity.

The Arizona senator announced Monday night a series of talks with GOP congressional leaders, members of the House and Senate, governors and other party chiefs "in the interests of the campaign, of all Republican candidates' campaigns and of party unity."

Goldwater confers Wednesday with the Senate-House Republican Leadership Conference to talk over legislation facing Congress and discuss campaign plans.

The senator said he and vice presidential nominee William F.

Ranger 7 Shot Aimed At Moon

IF ALL GOES WELL, the Ranger spacecraft should hit the moon after approximately 68 hours in flight. As the Newschart shows, at launch plus 50 hours, the moon's gravity will begin to pull the craft toward the moon. Fifteen minutes before impact, the Ranger's television cameras will switch on and signals will be transmitted to earth.

Cave-In Traps 14 In Quarry

CHAMPAGNOLE, France (AP)—Hope began to fade today for 14 men entombed for almost 24 hours in a limestone mine in the Jura Mountains of eastern France.

A drill pipe sunk through 128 feet of mud and rock broke through into an intact part of the mine. Rescuers lowered a highly sensitive listening device down the 6-inch tube but heard only the sound of dripping water and falling stones.

Officials said the absence of human sounds was "very disturbing." They said the men would have come to the point where the pipe pierced the mine roof if they were alive and well.

One official said it was possible that the area of the mine under the drill pipe was cut off from where the men were sheltered. But in that case the rescuers face new and formidable difficulties when they break through into the mine.

The drillers had worked through the night at one spot without making a breakthrough. Then they moved the rig several yards up the hill and started again.

The men had been entombed within the 30 - mile labyrinth more than 12 hours when sensitive special equipment, flown in by helicopter, caught what seemed to be faint tapping

Three In Crash

TAIPEI, Formosa (AP)—Three Nationalist Chinese air force transport planes with 18 persons aboard crashed Monday night during training maneuvers in southern Formosa.

The planes were flying in close formation when they crashed on 2,400-foot Mt. Kuei Chung.

Castro Boasts He'll Meet U.S. 'Shot For Shot'

SANTIAGO, Cuba (AP)—Facing Cuba at his invitation and 40 other foreign newsmen who came to Santiago for the celebration of his 26th of July revolutionary movement.

Castro again rejected the U.S. denial of his charge that U.S. Marines killed a Cuban sentry at the Guantanamo border two weeks ago.

"What is important is that we believe and know that this happened, and the Soviet Union also knows it," Castro said.

"If another of our men is murdered, we will not have another alternative but to answer shot for shot independently of what the American government believes or not."

"The Soviet Union knows if we are forced to take measures we would not be looking for war."

Castro made clear that he would not give up his ties with the Soviet Union to improve relations with the United States.

"The United States tries to maintain a cold war with us and at the same time wants to improve relations with the Soviet Union," he said.

"That objective will not be accomplished. Cuba will not tolerate being separated from the Socialist bloc."

Castro dwelt at length, however, on the chance of improving relations with the United States.

"We have no resentment against the American people," he said. "It would be stupidity not to be willing to discuss our differences."

"If there is willingness, a way will be found. We want to discuss, but are not in any hurry, and we are prepared not to have diplomatic and commercial relations with the United States for the next 20 years."

Kansas City Man Collects \$10,000 In Fake Mishaps

KANSAS CITY, Mo. (AP)—A Kansas City man has collected about \$10,000 insurance by deliberately causing more than 35 automobile accidents in four years, a prosecutor said.

Joseph Lewis Appleby, 40, pleaded guilty in Circuit Court Monday to a grand jury indictment of collecting on a false injury claim.

Donald L. Mason, assistant prosecutor, said the state had 42 witnesses ready to testify that Appleby operated in this manner.

Driving an old car, Appleby would slam on the brakes suddenly so that his car was rammed from the rear by a truck. Then he would tell the insurance adjuster his neck and back hurt and he was going to see a doctor. He usually settled for about \$100 or \$200 cash.

Lunar Photos Prime Mission Of Spacecraft

CAPE KENNEDY, Fla. (AP)—The Ranger 7 spacecraft was rocketed toward the moon today with the mission of taking several thousand closeup photographs of areas where American astronauts may land in 1969.

An Atlas-Agena rocket blasted into the sky at 11:50 a.m. (EST) to start the spidery spacecraft on a planned quarter-million-mile journey which hopefully will end six years of frustration for U.S. moon shots.

Start Is Normal
The great rocket, 104 feet tall and weighing 138 tons, spouted a torrent of red-orange flame and sent a thunderous roar rolling across Cape Kennedy as it barreled away from its launching pad.

The early portion of the flight appeared normal as the big booster pitched over on a south-east heading and streaked from sight after about three minutes.

The shot was postponed Monday when static-like noise developed in a ground transmitter used to send radio commands to the guidance system after the rocket is airborne. The problem was corrected.

The National Aeronautics and Space Administration counted on Ranger 7 to end six years of disappointment during which the United States has failed on 12 straight attempts.

The failures have seriously hampered gathering information to support the Apollo man-to-the-moon project, which aims at a manned lunar landing late in this decade.

Ranger 7 is to streak 228,522 miles to the moon in 68½ hours and crash-land on the surface Friday morning. As the 806-pound craft approaches the moon, its six television cameras are to take and transmit more than 4,000 closeup pictures.

The flight control center at Goldstone, Calif., hoped to maneuver Ranger 7 to an area west of the moon's center where lighting conditions are most favorable for photography. A prime target was the huge Mare Imbrium, the Sea of Showers.

Apollo planners want pictures of the maria because they appear to be flat and thus are possible astronaut landing areas.

Examination of the photos may determine whether the maria are dust bowls, solid surfaces or something else. The information is needed for designing the landing gear on the Apollo moonship.

The cameras were geared to take pictures from an altitude of 1,120 miles to the moment before impact.

Burglar Freed, Admits Crime

OWOSSO (AP)—A man previously acquitted of a burglary charge admitted under oath Monday that he had committed the crime.

Thomas F. Rarick 30, of Swartz Creek, made the admission while testifying in the trial of his brother, Milton, 22, of Flint, on a similar charge.

Shiawassee County Prosecutor Raymond Basso said Thomas could not be charged a second time with the burglary because of the U. S. Constitution's double jeopardy clause.

Thomas and Milton had been accused of breaking into an appliance store here last Dec. 16.

Thomas told a jury Monday that his brother had not been involved in the crime. The jury later found Milton innocent.

Milton had pleaded guilty May 18, but changed his plea to innocent June 15.

Slacks Banned In Court Room

NEWARK, N.J. (AP)—When Judge William A. Considine calls for order in his Essex County courtroom, he also means orderly appearance.

When a fifty-ish woman wearing yellow slacks appeared as a witness in a divorce proceeding Monday, the judge refused to let her testify until she was more suitably attired.

Entries Invited For Fair Queen

The deadline is approaching for candidates to enter the Upper Peninsula State Fair queen contest, said Mrs. Mae Carlson, Escanaba, queen contest director.

"The registration deadline is Aug. 8, a few days in advance of the Fair which this year will be held Aug. 18 through Aug. 23," said Mrs. Carlson. "Entry application blanks should be addressed to me at 610 S. 16th St., Escanaba."

A contestant must be single and between 16 and 22 years of age to be eligible to enter. She must be a Queen of some event in her home community and must be sponsored by a local organization.

The Queen selected will be crowned Wednesday, Aug. 19, during the evening performance of the grandstand show. She will then reign as Queen of the Fair for the balance of Fair Week and serve as the Fair's official hostess. She will also fly to Detroit later in the month to represent the Upper Peninsula at the State Fair.

"Winter Queens, Homecoming Queens, Fourth of July Queens — these and others need only an official sponsor to compete in the U.P. State Fair Queen's Contest," said Mrs. Carlson. "It is my hope and that of the Fair Board that each county of the Upper Peninsula will be represented."

The Fair Premium Book contains an official queen contest

entry blank. Additional blanks and information about the contest may be obtained by writing to Mrs. Carlson.

The 1963 Fair Queen was Miss Roni Rose of Escanaba. Because she is now married, she is Mrs. Roger Hesselberg, the 1963 runner-up, Miss Melissa Claire Fuller of Newberry will serve as official hostess on Wednesday, Aug. 19, Queen's Day.

Former Local Drummer Dies

Members of the John Frederickson family, 321 S. 15th St., have been notified of the death of the brother-in-law, Frank Joseph Bissonette, of North Hollywood, Calif., after an illness of six months.

Mr. Bissonette, former resident of this city, was a member of the Musicians Union, having been employed for ten years as drummer at the Tenth Theatre of Escanaba. He held a Journeyman membership in the Grand Lodge of the International Association of Machinists, having worked as a machinist for ten years in Chicago and California. Mr. Bissonette was also a member of the 32nd Division of Wisconsin, serving overseas in World War I for three years.

He is survived by his wife, the former Genevieve Frederickson, a daughter, Mrs. Edward (Lorraine) Bell, two grandsons, Gregory and Gary of Fullerton, Calif., and one brother Al Bissonette of Oakland, Calif.

Funeral services, held at St. Patrick's Church in North Hollywood were attended by members of the Frederickson family, also by members of the Veterans of Foreign Wars. Burial took place in Holy Sepulcher Cemetery in Orange, Calif.

Fred Case, 69, Former Wells Resident Dies

Fred Casey, 69, of Detroit, son of the late Mr. and Mrs. Louis Casey of Wells, died Monday at 4 a.m. after an illness of one week.

Mr. Casey was born in Spalding and moved to Wells as a child. He is a veteran of World War I and had lived in Detroit for about 40 years. Survivors include his four brothers, Joseph, William and Edward of Wells and Isadore of Escanaba.

The funeral mass will be celebrated at 9 a.m. Wednesday in Detroit and burial will be in that city. William Casey is in Detroit to attend the services.

Fair To Honor Safety Patrols

A special feature Tuesday, Aug. 18, opening day of the Upper Peninsula State Fair, will be the 12th annual safety patrol program sponsored by the Michigan Automobile Club in cooperation with the Michigan State Police and the U.P. State Fair Board.

The purpose of this program is to recognize the hundreds of boys and girls who devote many hours to school safety during the year. Last year 3,000 boys and girls from every community in the Upper Peninsula were registered for the event.

The boys and girls are given free rides on the midway, and reduced rates to see the grandstand show which this year features Roy Orbison and his band. At 4 p.m. the young people will be treated to an old fashioned picnic supper with plenty of milk, soft drinks, buns and weiners, and ice cream for all.

The youngsters will come to the Fair on Tuesday morning by bus and will leave again for their home communities at 6 p.m.

Bridge Walk Set Earlier

ST. IGNACE — The annual Labor Day Mackinac Bridge Walk will get off to an earlier-than-usual start this year, beginning at 8:30 a.m., Sept. 7, with the last possible starting time at 10 a.m. from the St. Ignace end of the bridge.

The earlier time was established, according to Prentiss M. Brown, chairman of the Mackinac Bridge Authority, to allow even more people — notably tourists winding up their Labor Day weekend holiday — to join the annually increasing throngs of people who look forward from year to year to this unusual public recreational stroll high above the Straits of Mackinac.

The "world's greatest walking event," as it is called by the Authority, started in 1958 with a few dozen enthusiasts paced by then Gov. G. Mennen Williams. Each year the public interest has increased to the point that 6,000 people hiked over the span last Labor Day.

The few hours of the annual Bridge Walk are the only times when people are allowed to walk on the bridge. At all other times, only motor traffic is allowed. But on Labor Day morning, the light automobile traffic uses the two west lanes open for those who would rather walk than ride.

It takes the average person about 1½ hours to stroll the 4½ miles across Mighty Mac, and many take two hours. This is why walkers may not start out any later than 10 a.m. — to insure that all of them will have reached Mackinac City before noon, when motor vehicles again take over all four lanes of the bridge.

Tourists in Mackinac City may take the regular bus service (50¢ fare) to St. Ignace for the beginning of the walk. Free return bus rides are available for walkers who want to return to the St. Ignace end of the bridge.

Each walker receives a certificate to prove, when he brags to his friends later, that he completed the journey.

Planning Group Maps Program

The fall Conference Committee of the Michigan Society of Planning Officials will meet at the Escanaba Chamber of Commerce building at 7 p.m. Aug. 6 to plan for the Oct. 8-9 conference of the MSPPO in Escanaba. Chairman T. D. Viney said the meeting will set up the program, and plan promotion, exhibits, budget, women's program and conference trips.

Arnold B. Thomas

City Resources Workshop Aug. 3

A Bay City educator will direct a community resources workshop which begins Aug. 3 in Escanaba.

Arnold B. Thomas, who will direct the four-week session, is currently director of curriculum for Bay City Schools. Thomas has formerly served in school systems in Chelsea and Sandusky. He has taught curriculum improvement courses and has previously directed community resources workshops for Michigan State University. Thomas earned his B.S. degree from Central Michigan University and his M.A. degree at the University of Michigan.

Registration for the workshop will be held at 9 a.m. Aug. 3 in the Escanaba Area High School. Class sessions and tours will be held each week day through Aug. 28.

Sponsored jointly by local school systems, MSU and Northern Michigan University, the workshop is supported by area businesses and industries.

Students can earn four semester hours of graduate or undergraduate credit at NMU or six term hours at MSU.

Community resource workshops have been conducted in various Michigan communities every summer during the last nine years and have given participants means of improving curricula at all grade levels.

The workshops acquaint teachers with local resources, places and people and enable them to use this knowledge in teaching.

Survivors include: his wife, Myrtle; two daughters, Mrs. Aileen Kivimaki, Trenary and Mrs. Mamie Gustafson, Davison, Mich.; three sons, Albert, Port Huron, Arnold, Seattle, Wash. and Leo, Detroit; and six grandchildren.

Funeral services will be conducted at 1:30 p.m. Wednesday at the Swanson Funeral Home in Marquette with Rev. John Hamel officiating. Burial will be in the Limestone Cemetery. Friends may call at the funeral home after 4 p.m. today.

Obituary

EUGENE PELTIER
Funeral services for Eugene Peltier, 67, who died suddenly Sunday will be held at 9 a.m. Wednesday in St. Anne's Church with Rev. Stephen Mayrand officiating. Friends may call at the Allo Funeral Home from 3 to 9:30 p.m. today and parish prayers will be said at 8 this evening. Mr. Peltier was born in St. Beatrix, Quebec on Sept. 28, 1896 and his wife, the former Alberta Chénier died in 1950.

NOTICE NAHMA TOWNSHIP

Notice is hereby given that I will accept registrations at my home any day except Sunday or holidays, until Monday, Aug. 3, 1964 at 8 p.m., the last day for registering for the Sept. 1st primary.

Miss Michigan Contest Begins

MUSKEGON (AP) — Four-dozen beauties make girl-watching an accepted practice here for a week starting Monday evening.

Geraldine Lee LaFleur, 18, this year's Miss Delta County left Saturday for the Miss Michigan Contest with her official chaperone, Mrs. Elmer Bonifas. Miss LaFleur will sing I Enjoy Being A Girl, from the musical production of Flower Drum Song, for her part in the talent competition.

A 110-unit parade brings into public view the 48 candidates seeking the title of Miss Michigan 1965.

Parade marshal is Mrs. William F. Johnson, the former Nancy Anne Fleming of Montague who captured Miss America honors in 1960. Adding to the glitter of the pageant here through Friday night are Donna Axum, the presiding Miss America; Kathleen McLaughlin; retiring Miss Michigan, and the former Jan Somers, who as a Michigan State University coed was Miss America runnerup in 1954.

Preliminary judging begins Tuesday night at the L. C. Walker Arena and the new v. Michigan will be crowned Friday night. A state television network carries the finals.

At stake besides the honor of representing Michigan in the forthcoming Miss America pageant is a \$1,000 educational scholarship, a \$1,000 wardrobe and other cash and merchandise awards totaling some \$5,000.

The candidates included two other U.P. girls; Becky Simkorski, 18, Iron Mountain; and Lynn Marie Rogers, 18, Ontonagon.

Even the White House has had a crabgrass problem. When the wiry pest crept onto the south lawn, the late President Kennedy left his desk to walk about with the head gardener. He exclaimed, "This is a terrible mess of a lawn. Can't we do better?"

Co. E Wins Top Rating

A rating of excellent was awarded Company E, 107th Engineer Battalion, Michigan National Guard, at Camp Grayling. It is reported by Capt. George Anderson, commanding officer, of the unit stationed at Gladstone.

Company E received an additional amount of mobile equipment at Camp Grayling and is now at the home station for training, with a total of 14 five-ton trucks and 14 other types of army vehicles.

Capt. Anderson praised the drivers who drove to and from Camp Grayling without mishap. Convoy controls were under the supervision of Sgts. Lloyd Lessard, Lloyd Russell, Gladstone and driver training was conducted by Sgts. Lawrence St. Ours and Eldred Sattm of Escanaba.

One of the inspirational experiences at Camp Grayling for the Guardsmen was the talk by Gov. Romney, who is commander in Chief of the Michigan National Guard.

Gov. Romney praised the Guard and said he never fully appreciated its many fine qualities until he was asked to call out the Guards to preserve law and order at Hillsdale. He praised the work of the guard in meeting emergencies of disorder, floods, fires and other disasters.

Briefly Told

Clarence Aronson, 1116 S. 14th St., suffered a head injury Monday afternoon while employed at the Birds Eye Veneer Co. plant. A wrench became caught in pneumatic machinery and was flipped up and struck him in the head, rendering him unconscious. He was treated at St. Francis Hospital and released and plans return to work Wednesday.

Masonville Township Registration Notice

Notice is hereby given that I will accept registrations at my home until 8:00 p.m. August 3, 1964 which is the last day to register for general primary election.

Butler Returns From Register Of Deeds Meeting

Delta County Clerk William Butler, who is also register of deeds for Delta County, has returned from the annual meeting of the Michigan Register of Deeds Association held at Tawas City last week. Butler is a former president of the association.

John Hosko, county clerk and register of deeds at Muskegon, is the new president of the group.

The business sessions of the association included discussion of 1964 legislation and new amendments to the uniform Commercial Code which will become effective Jan. 1, 1965. One of the amendments puts an end to the present system requiring dual filing. After Jan. 1 it will be necessary to file only with the register of deeds.

Richard Lomax, plat engineer for the auditor general's office, spoke on changes in the plat laws.

Aquinas College Vandals Fined And Put In Jail

GRAND RAPIDS (AP)—Nine months at labor in the Kent County jail and fines of \$500 each were ordered by superior court Monday for two youths charged with malicious damage to a new dormitory at Aquinas College.

Thomas Beaumont, 19, and Jay S. Simmons, 18, were sentenced for flooding sinks in 40 bathrooms and causing damage estimated at upwards of \$12,000 at the dormitory last April 27. It was nearing completion. Neither was a student at the school. Beaumont pleaded guilty. Simmons was convicted by jury trial.

School Millage Drive Gaining

Active Citizens for Education, meeting last night at the Soo Hill School, heard reports on the progress of the campaign to gain a favorable vote on the school operating millage proposal Sept. 1.

Eight thousand copies of an information sheet, prepared for distribution to homes of the Escanaba Area Public Schools, will be handed out by block captains and made available to the public said Louis Diedrich, campaign chairman.

Diedrich emphasized the need for block captains who have not yet attended a training meeting to be held at the Junior High School auditorium at 8 tonight. They will receive their campaign materials.

Clarence Moore at the Monday night meeting displayed the car stickers which have been prepared for distribution. Two silk screen processes were donated by Dennis Foltman to ACE, and Ed Havitz is silk screen process chairman. Volunteer workers at the High School will run off approximately 8,000 stickers. Vernon Ihlenfeldt reported on publicity scheduled.

It was announced that Robert Haack and Claude Bohn will be available as speakers to groups and organizations.

The next meeting of ACE will be held at Cornell on Monday, Aug. 3 at 8 p.m.

Leo Knauf Hurt In Diving Mishap At Summer Camp

Leo F. Knauf of Bark River, rural Rte. 2 mail carrier out of Bark River, suffered a fracture of the neck Sunday afternoon in a diving board accident at Lazy Acres Camp off Forest Highway 13. He is under traction treatment in St. Francis Hospital.

The Knauf family had spent the week at the camp and he was enjoying one more swim before leaving for home when he was injured.

Not Planting Brings 11 Checks

Diversion payments in the voluntary 1964 wheat program were made this week to 11 Delta County farmers. Vincent Rappette, County ASCS chairman said producers received payments to help maintain wheat grower income.

It is expected that payments totaling \$6,340,000 will be made to 25,888 Michigan wheat producers.

Diverted acres are used for a variety of conservation practices, including tree planting, grass or legume cover crops, and wildlife food plantings aimed at stimulating numbers of game birds and animals.

Harris Township Registration Notice

Registrations will be accepted until 8:00 p.m. August 3, 1964 for the General Primary Election to be held September 1, 1964.

Partner Hunted In Crime Spree

DETROIT (AP)—One of two men seized after a 48-hour crime spree and flight was held in \$50,000 bond today as authorities still sought his partner.

Carl Emmett Prichard, 30, of Dearborn, arraigned for armed robbery of a supermarket, was detained under the high bond at Wayne County jail.

Police sent out a three-state alarm for Prichard's alleged accomplice, Raymond Lawrence Wyngaard, 26, of Detroit. Wyngaard, armed and reported dangerous, disappeared after he and Prichard separated Saturday night or early Sunday before the latter's arrest in Dearborn on a minister's tip.

Authorities in Ohio and Indiana were asked to be on the lookout for Wyngaard.

Prichard's girl friend, Sharon Neilson, 22, of Detroit, was held in \$5,000 bond.

Police seized Miss Neilson when they first intercepted the two men and the girl Saturday, only to lose the two men again after a gun fight.

Wyngaard and Prichard, who escaped Friday while awaiting arraignment on robbery armed charges, held 10 persons as hostages for nearly five hours in a Southfield office building in continuing their flight.

Arraigned on the same robbery armed charge, Prichard stood mute and Miss Neilson pleaded innocent. Both were held for examination Aug. 4. They are charged in the theft of \$300 from a Food Fair Market in Redford Township.

JOHN CHRISKE, Conservation Department district supervisor, presents a forest fire keyman commission to William L. Marble, 84, of Gladstone. Marble has been a key-man since 1955. (Daily Press Photo)

Veteran Serves As Fire Fighter

The Michigan Department of Conservation has proudly renewed the forest fire keyman commission of one of its veterans, William L. Marble, 714 Wisconsin Ave., Gladstone, who at 84 is believed the oldest forest fire keyman in Michigan.

Presentation of the keyman commission was made by John Chriske, supervisor of the Escanaba District of the Department of Conservation. "Our forest fire keymen are a most valuable second line of defense and attack in fire emergencies," Mr. Marble has been a most valuable keyman for us, and in addition is a fine gentleman and a good friend of conservation," Chriske added.

The name Marble has been long associated with sportsmen and the out-of-doors. The Marble Arms of Gladstone supplied sporting goods of quality to more than two generations of outdoorsmen.

The forest fire keymen, in the absence of fire officers, are authorized to recruit men for fire fighting, arrange for supplies and equipment, and serve as minutemen in emergencies that threaten life and property.

First commissioned in 1955, Will Marble has several times been called upon to assist fire fighting forces with his knowledge of the area and his administrative capacity.

In one emergency, when fires were sweeping a destructive path across the Gladstone bluff area, Marble directed fire fighters to the roads that gave access to the control zone.

"His knowledge of the net-

work of roads, where water could be obtained, and the best access trails through the area was invaluable in the emergency," said Chriske. "He knew every road and trail and with his help the fire was brought under control more rapidly."

The spry and venerable Will Marble, whose interests are wide-ranging, says he will continue to accept the forest fire keyman commission "so long as I can help."

Mount Clemens Teacher Drowns Gathering Shells

EUREKA, Calif. (AP)—A junior high school teacher from Mount Clemens, Mich., drowned Monday while gathering shells on a Humboldt Bay Beach.

The victim was Archie Storton Jr., 32, of (1427 S. Gratiot St.) Mount Clemens, who had been visiting his sister in Fieldbrook, about 15 miles from Eureka.

Storton's sister, Mrs. Terence Way, told officers her brother took a launch from Eureka to the Samoa Peninsula, several miles across the bay, to gather shells Monday morning.

His body was discovered at 11 a.m. by an employee of a lumber operation on the peninsula, officers said.

Judge Michael Carland, who presided at both trials, said Thomas' case was unusual in that he admitted a crime of which he already had been declared innocent by a jury.

Army Worms In Alger Stripping Fields Of Oats

Army worms have stripped several fields in the Chatham area and are on the move to corn fields as well.

Several weeks ago Extension Director John Campana recommended an alert for army worms since a number of adult moths had been picked up in black light traps in Chippewa County.

Control of the army worm is possible with chemicals. They are being fought with spraying in St. Nicholas and grainfields in Delta County.

"Where Your Money Does More"

Great Western, C&NW To Merge

CHICAGO — The Chicago & North Western Railway and the Chicago Great Western Railway have agreed on terms of a merger plan for the two roads.

The agreement, as the North Western had originally offered, calls for an exchange of 0.75 share of North Western preferred share and 0.70 share of North Western common for each Great Western common share.

However, terms call for a payment of \$3 million in cash by the North Western to the Great Western's common shareholders instead of the retention of certain assets and investments as had been contemplated under the original offer.

North Western Chairman Ben W. Heineman and Great Western Chairman E. T. Reidy, said the two roads would prepare a definitive merger plan to be submitted to the boards of the two roads Sept. 10.

The roads said that as soon as approval of directors is obtained, simultaneous shareholder meetings will be called to vote on the plan. Prompt application to the Interstate Commerce Commission is also anticipated, they said.

The two lines serve 44 common points. The North Western is by far the larger of the two systems, operating more than 10,000 miles of track through nine Midwestern states. The Great Western operates about 1,400 miles of track in six states.

A key element in such a consolidation would be extension of the North Western's system to Kansas City, Mo., an important freight traffic center.

THE BROWNIE Scout Camp at the Gladstone camp ground overlooking Little Bay de Noc opened Monday for a week's stand. Here are a group of Brownies getting ready for the busy program. (Daily Press Photo)

Brownies Start Gladstone Camp

GLADSTONE — Approximately 90 Brownies and their leaders assembled at the day camp site on Bunker Hill in Gladstone Monday morning for the opening of their annual day camp.

The girls carried their lunches on the first day but beginning today they will cook their

noon meal as well as receive instruction in arts and crafts and other skills in outdoor living. The girls are transported to the day camp each morning and picked up at 3 p.m.

There are 6 units at the day camp with approximately 16 girls to each unit with a unit leader, assistant leader and a program director for each unit.

Mrs. Milburn Nolan is the camp director and she is assisted by Mary Joy Miller as program director, Ann Worth, who is in charge of arts and crafts; Estelle Fraddo, Mrs. John Fawcett, Mrs. Ruth Stadel, Mrs. Melvina Meyers, Mary Douglass and Mrs. Jean Symard.

Assistant leaders include Mrs. Betty Eagle, Susan Phillips, Mary Williams, Mrs. Gen Soper, Mary LeClaire, Cora Socha and Mrs. Beverly Bender. Program aids are Mary Lou Larson, Eileen Becker, Pat Klimetz, Donna Marshall, Christine England, Stephanie Thibault, Melissa Mineau, Cheryl Juneau and Susan Goetz.

Marquette Man To Face Murder Charge In Canada

TORONTO (AP) — Extradition proceedings were started today to bring Robert W. Dale, 32, of Marquette, Mich., to Ontario to face a charge of murder in connection with the death of a Sault Ste. Marie, Ont., man. The proceedings were started after Inspector Archie Eady of the provincial police questioned Dale in Brunswick, Ga., where he was arrested July 10 after breaking into a funeral parlor. A warrant was issued July 16 for Dale's arrest after the partly decomposed body of William Charters, 29, a railway brakeman, was found June 23, in a field near Chippewa, about 7 miles south of Niagara Falls. Charters had earlier left Sault Ste. Marie to spend his vacation in Niagara Falls.

Rock

The Rock 4-H club members and leaders are planning on taking a sight-seeing trip on Saturday, Aug. 1. The group will travel by bus to the Big Spring, Seney, Grand Marais, and take the boat at Munising to see the Pictured Rocks. All those wishing to go on the trip are to be at Larson's store by 6 a.m. Saturday. In case of rain the trip will be taken on Tuesday, Aug. 4. Expenses for the trip will be paid with club funds.

Hospital
Frank Ryti came home Saturday from St. Francis Hospital where he had been a medical patient for several days. Mrs. John Hakonen had surgery on her broken hip at St. Francis Hospital.

Hermansville

Mr. and Mrs. Willard Gron-dine spent the weekend in Milwaukee with relatives.

Mr. and Mrs. George Farley and family are visiting with relatives in Waukegan, Ill., and in Lower Michigan this week.

Attending the summer sessions in Marquette at Northern Michigan University include: Mrs. Robert Maki, John Andrews, George Nygaard, Clarence Blomquist, Miss Anne Floriano, Mrs. Anthony Machel.

Wesley Savard caught a 25 inch Northern Pike at the Hermansville Lake. Perch fishing continues to be good.

John Nauer of Plymouth, Mich., called on friends here Friday.

Mr. and Mrs. Elmer J. Pipkorn are visiting with friends and relatives on the East Coast.

Ivan Furlick and son Tony have returned to Milwaukee after visiting with his father, Nick Furlick.

Briefly Told

The Bay de Noc Beagle Club will hold a special meeting at 214 S. 22nd St., Thursday at 8 p.m.

A fall in her home caused the injury of Mrs. Henry Peterson, 317 S. 7th St., at 8:45 a.m. today. She fell part way down the stairs and struck her head on a piano. Firemen were summoned in the emergency and she was removed to St. Francis Hospital by ambulance.

Escanaba firemen were called out twice Monday evening, the first call to extinguish a grass fire north of the ore docks, and the second to Nagelkirk's market, 1430 Washington Ave., where an electric sign was shorted and was damaged.

Traffic court summonses have been issued by Escanaba police to Charles R. Heath, Michigan Hotel, excessive tire noise and expired operator's license; Thomas O. Dawson, Escanaba Rte. 1, defective equipment; and to Catherine I. Gorenchman, 910 6th Ave. S., defective headlight.

Application for a marriage license has been made at the office of the Delta County Clerk by Gary James Finman, Escanaba, a student at Marquette, and Mary L. McDonough, 202 N. 18th St., also a student.

The Delta Council of Community Services will hold its regular luncheon meeting at the Sherman Hotel at noon July 31. The speaker will be Richard Rinehart, president of Bay de Noc Community College, who will report on a mental health study group meeting held June 27.

Ann Marie Terrian of 1502 North 18th Street was admitted to St. Francis Hospital yesterday. She fell and broke her leg while riding her bicycle.

St. Ignace Man, Robert Davis, On Fair Board

LANSING (AP)—Gov. George W. Romney announced the appointment of Robert Davis of St. Ignace to the Upper Peninsula State Fair Board of Managers.

Davis succeeds Richard Allingham of Escanaba for a term expiring May 24, 1969. Senate confirmation is required.

Sea water is a source of such chemicals as bromine, magnesium and salt.

Most of the earth's million annual earthquakes occur under the seas.

School Bands To Begin Rehearsals Starting Aug. 3

Band members of the Escanaba Area Public Schools will begin scheduled rehearsals starting Aug. 3. Band rehearsals will be in the band room of the new Area High School and will be under the direction of John Chown and David Laakso.

All beginning band members will also start at this time. Beginners will report daily at: 9 a.m. - Cornets, Clarinets, Tenor Sax; 10 a.m. - Flutes, Trombones, Baritone; 11 a.m. - French Horn, Basses, Drums, Alto Sax.

Junior High Band students will meet at: Wednesday 8 a.m. - High School Marching Band; Wednesday 9 a.m. - 7th Grade Band; Wednesday 11 a.m. - High School Second Hour Band.

Beginning Band members are asked to have their instruments and enrollment fee of \$7 at their meeting next Monday.

Rock Man Fined For Beating Up His Sister, 67

John H. Lampinen, 64, of Rock pleaded guilty before Justice Ross C. Davis on Monday to the charge of assault and battery on his sister, Mrs. Hannah Jacobson, 67, of Rock early Sunday morning.

He was arrested by State Police, who said he had been drinking. Lampinen was sentenced to 30 days in the county jail and told that he'd get 10 more days if he didn't pay the \$4.30 court costs within 30 days.

LEGAL NOTICES

ORDINANCE NO. 1
THE TOWNSHIP OF BARK RIVER, MICHIGAN

Section 1. Subject to all the terms and conditions mentioned in this ordinance, consent is hereby given to Michigan Consolidated Gas Company, a corporation organized under the laws of the State of Michigan, and to its successors and assigns, to lay, maintain, operate and use gas pipes, mains, conductors, service pipes and other necessary equipment in the highways, streets, alleys and other public places in the Township of Bark River, Delta County, Michigan, and to franchise to Michigan Consolidated Gas Company, its successors and assigns, to transmit and sell gas in said Township and all other matters incidental thereto.

Section 2. This franchise is conditioned upon the installation of construction by Michigan Consolidated Gas Company of a gas main within the Township of Bark River on or before July 1, 1966. If such construction does not commence on or before that date this franchise shall terminate as more specifically provided in Section 6 hereof. Upon completion of the installation of a gas main within the time specified, the Company shall proceed to complete the same as soon thereafter as is reasonably practicable; provided, however, that the Company shall not be held responsible for delays due to weather or labor conditions, inability to procure necessary materials, or other causes beyond its control, and provided that such repairs, installation and all extensions shall be subject to the Main Extension provisions contained in the Company's Rules and Regulations for Gas Service as approved by the Michigan Public Service Commission.

Section 3. Michigan Consolidated Gas Company, its successors and assigns, shall not unnecessarily obstruct the passage of any of the highways, streets, alleys or other public places within said Township and shall within a reasonable time after making an opening, excavation, repair the same and leave it in as good condition as before the opening or excavation was made. The Company, its successors and assigns, shall use due care in exercising the privileges herein contained and shall be liable to said Township for all damages and costs which may be recovered against said Township arising from the default, carelessness or negligence of the Company or its officers, agents and servants.

No road, street, alley or highway shall be opened for the laying of trunk lines or lateral mains except upon application to the Highway Commissioner or Township Board, or other authority having jurisdiction in the premises, stating the nature of the proposed work and the route. Upon receipt of such application, it shall be the duty of the Highway Commissioner or Township Board or such other authority as may have jurisdiction, to issue a permit to the Company to do the work proposed.

Section 4. The Company is now under jurisdiction of the Michigan Public Service Commission to the extent provided by statute, and the rates to be charged for gas and the standards and conditions of service hereunder shall be as now set forth in the Company's Rate Book, M.P.S.C. No. 3 and Rate Schedules Nos. 3 through 8 forming part thereof, or as shall be hereafter validly prescribed under the orders, rules and regulations of the Michigan Public Service Commission or other authority having jurisdiction in the premises.

Section 5. The words "Michigan Consolidated Gas Company" and "Company" become and shall hereinafter be construed to mean and include both Michigan Consolidated Gas Company and its successors and assigns, whether so expressed or not.

Section 6. This ordinance shall take effect immediately after the date of publication thereof, which shall be within ten (10) days after the date of its adoption, and shall continue in effect for a period of thirty (30) years thereafter, subject to revocation at the will of the Township at any time during said thirty (30) year period and subject to the condition that if the Company shall fail to commence the installation of a gas main in the Township within the time provided in Section 2 hereof, then this ordinance and the franchise hereby granted shall, without further action on the part of the Township, become null and void and of no further force or effect; provided, however, that when this ordinance shall become effective the Township Clerk shall deliver to the Company a certified copy of the ordinance accompanied by written evidence of publication and recording thereof as required by law and that Michigan Consolidated Gas Company shall, within sixty (60) days after the date of the adoption of this ordinance, file with the Township Clerk its written acceptance of the conditions and provisions hereof.

Date of Publication July 28, 1964

MANISTIQUE Townships Have Officer Contests

Contests in the September Primary Election are shaping up in various townships in Schoolcraft County.

In Hiawatha, running on the Democratic ticket for supervisor is Nels Halsey and, Republican ticket Agner Dehlin and Leon M. Wood. Also on the Democratic ticket are: Clerk, Maynard Blandford; Treasurer, Clarabelle Oberg; Trustee, Leo Sikarskie; Constable, Leo Dean and for Trustee on the Republican ticket, John E. Burley and for Constable, Mayme Bashore. Delegate to County Convention, Edwin Carlson.

Germfask contests in all offices except Township Treasurer which will have Maude Burns, a Democrat running without opposition. For Supervisor, Harold Peters, a Republican and incumbent will be opposed by Harold Newborn, Democrat; Maxine Heath, Republican will have as her opponent, for Clerk, Thurman

Skarrit, Jr., Democrat. Opposing each other for Trustee are Carley Williams, Republican and Clifford Rose, Democrat. Running for Constables are two Democrats, Ovid Swisher Jr., and Melvin Smart.

Incumbent Raymond Olsen, of Mueller Township will be opposed by Wells Bowers, for the office of Supervisor. Other offices will have no opposition. They will run on the Citizen's ticket.

Thompson and Doyle will have no contests in the Primaries.

Inwood Township has no opposition for Supervisor but all other offices will have contests. For Township Clerk, Orville Olsen will have opposition from Arthur Gray and Lucille Fox will oppose Lawrence Carley for the office of Treasurer. Otto Winkle will have opposition from Napoleon Desjardin for Trustee. All are running on the People's ticket.

John Watson, a Democrat will oppose Robert Hubble, a Republican, for the office of Treasurer in Manistique Township where there is no opposition for Township Supervisor.

For Clerk, John Davidson, Republican will have Martin (Buddy) Holmberg, a Democrat, as his opponent. For Trustee, Clarence Gerlach, Democrat, will run against Clio Brown also Democrat. Running for Constable is Roy Jones, Republican.

In Seney, running on the Labor Party ticket will be Francis Morrison and William McMahon for Supervisor, the only contest in that Township.

Council Votes Free Parking On 'Hootennany' Day

City fathers on the Council Monday night gave a boost to plans for a hootennany here Aug. 8, to raise funds for sending children to Bay Cliff Health Camp, by moving there would be no parking meter charges in Manistique that day.

The action was requested by Mrs. Joseph (Irene) Davis, who is arranging a full-scale program that day from 10 a.m. to midnight.

Bands are donating services to raise money, and representation from the governor's office is planned.

Jobs Daughters meet at 6:30 p.m., Thursday for practice.

The Goodwill Club meets Thursday for a noon luncheon at the cottage of Mrs. Robert Hoar. Members may call 341-5419 for transportation.

Council Pledges Aid In Sawmill Expansion Plan

The Manistique City Council Monday night made it "a matter of record" that it would cooperate with necessary zoning changes for two lots near the Leo DeMars sawmill to permit an expansion of his mill operations.

Mayor Merwin White noted some "misunderstanding may have occurred," but that earlier the Council had indicated approval would be given if DeMars decided to develop a project at his present site rather than to move to another location in the city.

DeMars reported he had brought in chips and had done considerable bulldozing and that work should start shortly if he is to do necessary building yet this year.

A check also is to be made with the city attorney for proper action in abandonment of street right of way involved in the area.

During the regular Council meeting, DeMars presented a fireplace "log" made of sawdust and noted this might provide a way for the city to have sawdust in the water removed and converted to useful product.

The fuel logs have much greater density than normal wood. The section DeMars showed would cost a dime, he said, on retail market. Materials are added in manufacture to provide different colors while the log burns.

The manager, S. C. Gesko Jr., reported a dozen water samples had been taken in the quarry area and that a report would be presented later. State Police divers were to check today (Tuesday) for inlets and outlets, he said.

A 30-day extension was granted in condemnation proceedings on Susan Williams property. Approval was given for the annual maintenance contract with the State Highway Department.

On an anti-blight ordinance on junked cars, old lumber and other materials, a revision is to be made to include weed control on vacant lots.

Councilman Leo DeMars noted that "we're always hopping on people. Last week it was the parking tickets. Now it's storage of things on private property. I realize financially we can't do much as the condition is bad. But I think this has to stop somewhere."

Councilman Orson Livermore noted that if the ordinance is confined to residential areas, people would be looking over similar conditions in the business or industrial sections adjacent to them.

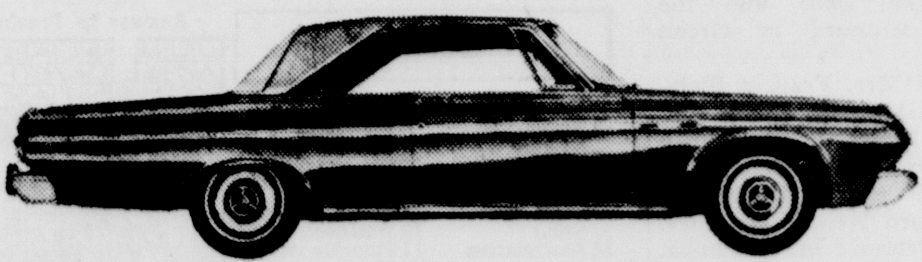

Councilman Harold Carlson noted a cleanup is needed for junk with no use.

Action to amend the parking meter ordinance for annual permits was deferred pending a check with the city attorney.

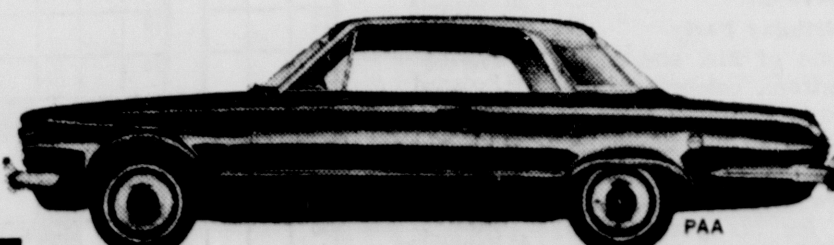

Colonel John Stevens ran his "Steam Waggon," the first operating locomotive in America, around a circular track in 1825.

Beta Sigma Phi Plans Reception For New Members

Theta Chapter of Beta Sigma Phi International Sorority is planning a reception Wednesday, July 29 to honor new and prospective members. The affair will be held at the House of Ludington.

Special guest for the day will be Mrs. Anita Simpson, field director of Beta Sigma Phi International.

Kansas City, Mo. Welcoming guests will be Mrs. William Stenbol, president, Mrs. Edward Saykily and Miss Ruth Drake of the local chapter.

Beta Sigma Phi is the world's largest Greek letter sorority, with 7,000 chapters and 170,000 members. It is neither academic, sectarian nor secretive and its members include students, business and professional girls and married women.

Local projects of the group included financial aid to the John F. Kennedy School for Retarded Children, clothing to the Salvation Army and volunteer work at the Carnegie Public Library.

Two Leagues To Meet Monday In Houghton Church

A joint workshop for the two Upper Peninsula Leagues of Women Voters, Escanaba and Hancock-Houghton, will be held Monday, Aug. 3, in the all-purpose room, Trinity Episcopal Church, Houghton, beginning with registration and a coffee hour at 9:30 a.m.

Mrs. F. Douglass Bennett, Jackson, field service committee chairman, Michigan League of Women Voters, and Mrs. Burton Fryxell, Houghton, member of the committee, are in charge of the sessions. Discussion group techniques and membership will be the main topics, and it is expected that a question and answer period will also be on the agenda.

All members and prospective members of both Leagues are invited. There will be no registration fee and no reservations necessary. Everyone is asked to bring her own sandwich for the noon hour.

In charge of arrangements are the two League presidents, Mrs. Victor Powers, Escanaba, and Mrs. David Halkola, Hancock, and the local committee, Mrs. Wilbur Haas, Mrs. Prudent Bryant and Mrs. Corbin T. Eddy.

Louis Dufours Will Attend Profession Day

Mr. and Mrs. Louis Dufour, 427 S. 15th St. and Mrs. Dufour's parents, Mr. and Mrs. Joseph LaFave are leaving Wednesday to attend the Profession Day ceremonies for the Dufour's daughter, Sister Miriam Louise, S. S. N. D., the former Darlene Dufour.

Sister Miriam Louise will profess her first temporary vows, receive her black veil and become a Junior Sister of the order. The ceremonies will take place at Our Lady's Chapel of Notre Dame in Mequon on Thursday at 10 a.m.

This is the Dufour's first visit with their daughter in a year. Sister Miriam Louise graduated from Holy Name High School in 1961.

Also attending the services will be Sister Miriam's brother-in-law and sister, Mr. and Mrs. Jerry Mears and son Paul of Detroit, her uncle and aunt, Mr. and Mrs. Jerry Dufour of St. Paul and Rev. Norbert Freiburger of Wells.

The Dufours will also visit their son Gerald in Milwaukee.

Mrs. Richard Nelson (Gordon Nelson Photo)

Joan Stoykovich And Richard Nelson Wed

Joan Stoykovich, daughter of Mr. and Mrs. George Stoykovich, 1830 8th Ave. N., became the bride of Richard Nelson of Rockford, Ill., in a single ring wedding ceremony performed July 18.

blue chiffon street length dress and carried a colonial bouquet of blue and white carnations. The reception was held at the home of the bride's parents and a bridal supper followed at Marco's.

Mr. Nelson and his bride will make their new home in Rockford, Ill., where the bridegroom is employed.

Rev. Arnold Thompson officiated at the 2 p.m. ceremony in St. Thomas the Apostle Church. The bridegroom is the son of James Nelson, 22 1/2 N. 18th St., Gladstone and Mrs. Louella Nelson, 1110 Dakota Ave., Gladstone.

Women's Club Members Drive Closes Aug. 8

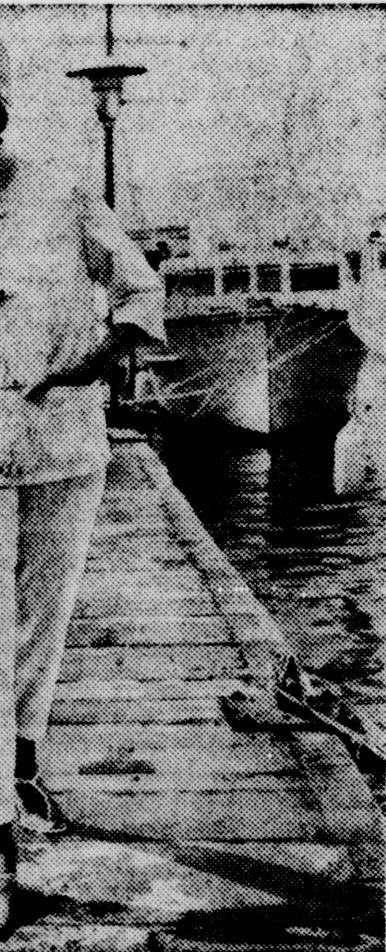

Mr. and Mrs. Eddie Garcia of Escanaba were honor attendants for the bridal couple.

The bride chose a street length gown of white chiffon with a Chantilly lace jacket and a lace panel on the skirt. The jacket featured three-quarter length sleeves and a bateau neckline. Her shoulder length veil of nylon illusion was caught to a crown of seed pearls. She carried a white missal covered with white carnations and pink rose buds.

The special summer membership drive for the Escanaba Women's Club will close August 8 and women interested in becoming a member are asked to contact Mrs. Arthur G. Anderson, 226 S. 25th St., membership chairman, ST 6-1306.

Those who have already received membership cards should have them returned to Mrs. Anderson by the closing date.

Easy-Care Colors Are Vacation Bound

Bright color and easy-care fabrics are the highlights of the summer beach scene. Salty, sassy duck (left) makes the swiftest shift of the season. Zipped from stem to stern, there's contrast stitching to accent jumbo pockets. Easy cut duck jacket (center) in blue or white has front

row of snaps and contrast stitching. It's teamed with slim duck pants. The sea parka (right) blossoms out for summer in a pastel floral print. It's worn over smooth surfers in active stretch denim for a truly new addition to the beach scene. These are Russ designs.

By HELEN HENNESSY

Women's Editor
Newspaper Enterprise Assn.
NEW YORK—(NEA)—A colorful panorama will be seen on the waterfront this summer. And nature will have little to do with it except as background.

Bright red, stark white, bold navy and a myriad of rainbow pastels will dot the scene in duck beach shifts, stretch gaudy shorts of all lengths and sun and sailing parkas. And they all boast wash-wear, easy-care qualities.

Stretch denim surfers, branded with saddle stitching for a western flavor, will be teamed with checked or print stretch cotton shirts.

You can hit the deck in a gay water-repellent parka that will shield you from spray and wind.

They come in bright gingham checks, dashing madras plaids and polka dots—a great look over stretch pants. And if you're a sand lubber these parkas are handsome chill-chasers when it's breezy on the beach.

If you like the wind in your hair, skip the parka. Hop into a jaunty collarless snap-front duck jacket for beach or boating fun.

Whether you are a beachnik or a boatnik you can have a summer full of colorful play togs in a leisure wardrobe.

It's sun time and the livin' is active, but it's easy, too, because of the endless variety of leisure togs that require a minimum of care to ready them for play hours.

In This Corner

By KARL DICKSON
(Guest Editorial)

Hats off to Al Ness and his Escanaba Cubs for continuing what is probably the longest championship string in U. P. athletic history. For ten years Escanaba has dominated the U. P. American Legion Junior Baseball picture and carried the colors of the North into the State Tournament.

Practice is the key to Ness' success, but he also admits to an excellent farm system that feeds his team with new material each spring. After returning from an 18 to 5 debacle at the hands of Detroit in 1950, Ness served as president of the newly formed Escanaba Jaycee Little League.

His Legion team lost out to Iron River in 1961, but the Little Leaguers won the state championship. In 1952 an intermediate Pony League was formed, and by 1955 Ness had welded the graduates into another U. P. championship and went down state. After dropping the opening game to Adrian, the Cubs swept to the only State Championship ever won by a U. P. team in its 36 years of play.

Since that time Escanaba's baseball fortunes have ridden high with all Escanaba taking pride in its success. One reason that the Cubs record has been perpetuated is because Ness has always been able to come up with an experienced man when needed. Back in 1959 with Menominee gunning hard for a championship and Rod Greenwood out with a sore arm, Johnny Wellman came off the bench to bat and pitch the Cubs to a championship. Wellman began his Little League career as an eight year old in 1951. Sunday it was Jim Boyle who did the relief job, although he had very little previous Legion pitching experience.

Escanaba's farm system personnel, like Ness, is volunteer help. One such individual is Earl Dumais, head of Escanaba's Minor League. Tomorrow Dumais will send his small fry baseballers out on a soap sale to raise funds so that they can operate with the proper protective equipment and carry insurance on the players in 1965. If you are so inclined, buy some. It's a real bargain.

Kingsford Man Wins Golf Open

Walt Dougoveto, of Kingsford, playing in the 55-59 age group, fired a 42-40 for an 18-hole total of 82, making him low medalist and winner of the annual Upper Peninsula Senior Men's Open Golf Tournament, held Saturday at Pine Grove Country Club.

Defending champion Walt Sliva of Kingsford, playing in the 50-54 age bracket, shot an 84 to tie Theron Southard, of Kingsford, for low gross honors in that bracket.

There were 163 competitors in the tournament.

Hugh Cavill, of Menominee, shot an 83, good for first place in age group 60-64.

Walter Olds, of Gladstone and Gordon Vinge, Ishpeming with 86's tied for top honors in age group 65-69.

In the 70 and over age division, Brad Barlow, of Crystal Falls, scored a 90 for first place honors.

The oldest golfer in the tournament was Ira Odgers, of Crystal Falls, who tallied a 111. Odgers is 87 years old.

The four low gross and low net placings in the various age groups follows:

Age Group 50-54
Low gross — Theron Southard, Kingsford, Walt Sliva, Kingsford, 84; E. Senobe, Ishpeming, 86; and Dr. J. R. Davidson, Crystal Falls, 87.

Low net — W. Redman, Ishpeming, 76; E. Miller, Gladstone, 76; S. Robinson, Escanaba, 79; and Frank Anderson, 80.

Age Group 55-59
Low Gross—Ernest Flaminio, Iron Mountain, 84; R. LaBrecche, Menominee, 85; George Walling, Crystal Falls, 86; G. Larson, Menominee, 87.

Low net — W. Hagglund, Crystal Falls, 66; E. Kiehl, Ishpeming, 71; T. Belongie, Gladstone, 73; G. Arseneau, Ishpeming, 74.

Age Group 60-64
Low gross — Hugh Cavill, Menominee, 83; Pete Tomassoni, Iron Mountain, 88; B. Elliott, Marquette, 89; E. White, Kingsford, 89.

Low net — E. Brown, Escanaba, 64; J. Kelly, Manistique, 74; E. Foye, Marquette, 76; W. DeWald, 77.

Age Group 65-69
Low gross — Walter Olds, Gladstone, and Gordon Vinge, Ishpeming, 86; Larry Zeugner, Norway, 88; E. Drury, 89.

Low net — L. Males, Manistique, 69; A. Maitland, Manistique, 76; Leo Wyss, Iron Mountain, 79; J. Perino, Iron Mountain, 81.

Age Group 70-Over
Low gross — Brad Barlow, Crystal Falls, 92; O. Ogerlund, 97; D. Loomis, Iron Mountain, 103; C. Wedge, Houghton, 105.

Low net — J. C. Cavill, Menominee, and J. Jones, Gladstone, 86; G. Lewis, Escanaba, 88; and G. Thomas, Manistique, 89.

Stubby Flaminio was general chairman for the tournament, with Leo Massicotte serving as secretary-treasurer.

The event next year will be held at Ishpeming.

Esky Delegation Sees Feasibility Of Racing Here

Escanaba made its first inquiries into the feasibility of bidding for hydroplane racing on Little Bay de Noc with a visit in the weekend of a local delegation tot the races at New Town, N. D., which are sponsored by the cities of Minot and Williston.

In the delegation were Claude Tobin, City Manager, George Harvey and Atty. Dean Shipman. They flew out in a Jon Thorin Aviation plane piloted by Vern Little, saw the

Esky Vs. Ashland Friday at 6 P.M. In LL Tournament

Little League officials received word today that the Area No. 4 champions, the Escanaba Jaycees would play Ashland Friday at six o'clock in the District semi finals at Ashland. Playing in the other bracket at the same time on Ashland's second field will be Ironwood and Iron Mountain.

Escanaba reached the district tournament by virtue of 9 to 6 victory over Manistique, while Ashland beat Superior American 6 to 5 to gain their berth. Ironwood beat Calumet 8 to 4 in their area, while rain had delayed the finals at KI Sawyer, altho two Iron Mountain teams had reached the finals.

Tournament director Ed Kernan of Ashland also advised local officials that the championship game will be played at 2:30 Saturday. A picnic had been scheduled for all players at 10 o'clock Saturday morning.

U.P. Junior Boys Tournament Set

Entries for the Fourth annual U.P. Junior Boys Baseball tournament are now being accepted.

The tournament is open to teams comprised of boys aged 13-15 which are not affiliated with a national baseball program.

The tournament will be held Aug. 6-9 in Munising, Chatham and Trenary.

The tournament was won by Stephenson last year while Ne-gaunee took runner up honors.

The deadline for entries is Aug. 1. For tournament rules and entry forms contact Arnold Aho, 320 S. 9th St., Escanaba.

Ralph Terry Wins Over Angels 3-0

Suddenly they can't score against Ralph Terry.

Just a few weeks ago, they—the New York Yankees' opposition—couldn't keep from scoring, particularly in crucial situations.

Terry, a right-handed veteran, came through a personally crucial situation Monday night like Perry Mason sails through court cases.

Making his first start since June 10 when he last won, Terry pitched his first shutout of the season as the Yankees stopped the Los Angeles Angels 3-0 and increased their American League lead to one game.

Cincinnati bombed Milwaukee 11-2 in the National League in the only other game played.

Terry, now 3-8, shut out the Angels on seven hits, not letting a runner get past second base.

The performance sent his earned run average to 5.18, the first time it's been under 6.00 since mid-May.

Terry received all of the support he needed from Elston Howard and Roger Maris. Howard doubled home Tom Tresh and Joe Pepitone, who had singled, in the second. Maris clouted his 15th homer in the third.

Fred Newman suffered his fourth setback against eight victories, giving up five hits in seven innings.

Jim Maloney pitched and helped bat the Reds to their victory under Coach Dick Sisler. Sisler took over for Manager Fred Hutchinson, who remained in Cincinnati for further hospital tests. Hutchinson is suffering from chest cancer.

Maloney scattered six hits, picking up his 10th triumph in 19 decisions. He singled in the first run of a five-run fifth inning and batted in another run with a eighth-inning sacrifice fly. He also singled in the fifth.

Denis Menke homered for the Braves while Deron Johnson and Marty Keough connected for Cincinnati. Keough's blast coming with one on.

Recreation League To Hold Picnic

The annual recreation league baseball picnic will be held at Ludington Park on Wednesday at 12 noon. This year's menu will feature hot dogs with the works, along with potato chips, ice cream bars, and pop.

All members of the American, National, and Junior league teams who have been playing and practicing under the direction of Harold Johnson are invited to attend. This will include boys on the No. 1 and No. 2 teams of each school as well as youngsters 11 to 14 years of age who have been playing in the afternoon at Royce Park.

Boys who have not paid the fifty cent picnic fee may do so this week at Royce Park or the fee may be paid to Mr. Johnson at Ludington Park on Wednesday morning.

racing on Sunday and Monday, were much impressed, said Tobin, with the potential of hydroplane racing as a major spectator sport for the Bay de Noc area.

Tobin said that the racing in Dakota pointed definite possibilities for hydroplane racing here, which will be explored in a continuing investigation of local resources and potentials. The Dakota Cup Regatta For Unlimited Hydroplanes was held on the impoundment of the Missouri River called the Garrison Reservoir, behind the largest earth-filled dam in the world.

At New Town Sunday there gathered to see the races the largest crowd ever assembled in North Dakota, with more than 17,000 automobiles on parking lots in the Indian Reservation where the races were held.

After three years of successful sponsorship of such races, cities become eligible to bid for the Gold Cup races. Escanaba's interest in the possibility of hydroplane racing was started by Pat Hayes of the House of Ludington, who had as his guest J. A. Herrington, president of the Laper Manufacturing Co. of Detroit, owner of Mariner Boat and Hacker Boat Divisions, who is a hydroplane buff. Herrington brought his big hydroplane, Mariner Too, to Escanaba for exhibition on July 13 enroute to New Town.

Babe Ruth

A perfectly executed squeeze play in the last half of the seventh inning brought in the only run of the game as Kiwanis Club nipped Mead Paper, 1 to 0, in last night's Babe Ruth action at the league field. John Vardigan dropped a bunt down the first base line to score Greg Johnson from third base in a sudden death finish to a close contest.

John Way picked up his third shutout of the season with a brilliant two-hitter and struck out 11 while walking 2. Way and Vardigan provided the batting punch for the winners, each collecting two hits off Loren Kositzky.

Kositzky pitched steady ball for Mead, scattering 6 hits and striking out 8. Tom Boyle and Dick Christenson got the only hits for the losers.

In tonight's action Teamsters Local 328 meets Insurance Agents Association and tomorrow night the Escanaba Banks tangle with Harnischfeger Local 632. The schedule for Saturday follows:

At 10 — Kiwanis Club vs. Escanaba Banks; at 1 — Teamsters Local 328 vs. Mead Paper; at 3 — Insurance Agents Association vs. Harnischfeger Local 632.

Girls Softball

State Bank moved another notch closer to second place last night in girl's softball as they dumped the Nurses 16-4. Carol Courmeene and Rosy Jacques made up the winning battery, while Betty Thorsen took the loss for the Nurses.

The Bankers broke the game open in the sixth as 13 batters went to the plate and scored nine runs. Leading the Banker hitting attack was Parma Smith with a double and two singles, good for six runs batted in.

The Spanish Riding School in Vienna remains the world's foremost equestrian academy; its name refers simply to the horse's Spanish ancestry.

DEFENDING CHAMPION Miss Bardahl of Seattle races home the winner in last weekend's Dakota Cup Regatta in New Town. This is one of the huge hydroplanes which might be racing on the waters of Little Bay de Noc in the near future. A delegation from Escanaba went to New Town to see the Regatta. Miss Bardahl, piloted by Ron Musson, averaged 113.9 miles per hour in the 15-mile heat. They ran four heats during the day to determine the winners.

Milwaukee Sloop Wins Yacht Race Flat Rock Falls To Hamms 9-1

MACKINAC ISLAND (AP)—Backed by strong winds out of the west, Gypsy, a 53-foot sloop out of Milwaukee, was the first boat to cross the finish line early today in the Chicago to Mackinac Island yacht race.

Skipper Charles Kotovic, who captured both Class A and overall laurels in last week's 235-mile Port Huron to Mackinac Island race, coasted home eight to 10 miles ahead of second place Mitena, a 72-foot sloop and largest boat in the race. Mitena is owned by the Withey Sun Syndicate and sails out of Macatawa Bay Yacht Club.

Onidine, S. A. Long's 57-foot yawl from the Larchmont Yacht Club in New York, finished third. Blitzen, owned by Thomas and William Schoendorf of Milwaukee's South Shore Yacht Club, Gypsy's home port, was fourth.

Race officials said no other boats in the 114-vessel fleet were closer than 20 miles.

Kotovic's boat completed the 333-mile course along the length of Lake Michigan in 58 hours, 38 minutes and 45 seconds. His ship crossed the finish line at 12:53 a.m., about an hour ahead of the Mitena, and posted a corrected time of 54:56:08.

Kotovic said he piloted Gypsy

Sox In Detroit For 3 Games, Start Tonight

DETROIT (AP)—The Detroit Tigers, losers from a disastrous five-game series with the New York Yankees, take on the Chicago White Sox tonight in the first of a three-game series at Tiger Stadium.

Manager Charlie Dressen, who watched his hurlers battered all over the lot in dropping four of five games to the Yanks, is still undecided about his pitching for the Chicago series.

Mickey Lolich (9-7), a big left-hander who lost to New York Sunday, is the likely choice. His opponent will be either former Tiger Ray Herbert (3-3) or Joel Horlen (7-5). Lolich pitched the last complete game for Detroit. He blanked Baltimore June 17 3-0.

The light-hitting White Sox hold a 7-1 edge over the Tigers this year. They outscored Detroit 27-11 in sweeping a four-game series here two months ago.

Dressen is still troubled trying to get two batters hot at the same time. Dick McAuliffe carried the home run ball for awhile. He now has 19. Then Gates Brown picked up the slack by hitting in 26 of 30 games. Brown was hitting .328 last Thursday but dropped to .298 after making only two hits in 22 at bats against the Yanks.

Al Kaline, back after injuring a toe, has hit well with four homers and nine hits in the Yankee series. He is hitting .306.

Billy Bruton, who injured a knee while sliding into first base against New York, may be ready for Wednesday's night game.

IF I DON'T BLINDFOLD YOU, YOU'LL KNOW TOO MUCH—AND I'LL HAVE TO DRILL YOU THROUGH THE SKULL!!

CAPTAIN EASY

GLADSTONE

Sewer Project Is Progressing

GLADSTONE CITY POLICE were called to Wilderness Park Sunday afternoon to examine what appeared to be a home-made bomb, found on the beach near the power plant by two campers in the park. Frank Stupak, custodian of the park, is pictured, left with City Policeman, J. C. Miller. They decided the object was a flare. (Daily Press Photo)

Briefly Told

Dog Behavior Is Club Topic

Mr. and Mrs. Val Potvin, of Stonington, will observe their 25th wedding anniversary with open house at their home Saturday, Aug. 1, beginning at 3 p.m.

State Police of the Gladstone post issued traffic court tickets to Alvin Grosewick, Mayville, Wis., improper turn; and to James Ness, 420 S. 16th St., for not having mud flaps on a truck.

John Lutz of Bay City escaped injury at 9 p.m. Monday when his car struck and killed a deer on County Road 426 in Cornell Township near the Marquette County line. State Police said Lutz told them the deer leaped suddenly in front of his car and he was unable to avoid the accident.

John O'Brien of Escanaba talked to Gladstone Rotarians Monday on the subject of training dogs. The speaker was introduced by Clarence Goodman, program chairman of the day.

According to O'Brien, training sessions to teach dogs good behavior must not last more than ten minutes and no more than two sessions per day.

Speaking on training puppies O'Brien said it was necessary to housebreak the puppy first. He said dogs were creatures of habit and a pat on the head is sufficient reward and not to give food as a reward.

One-word commands are best and always use the same word, such as "place," "sit," "come," "heel" and "no."

President James Emerson announced a special Scout service would be held at the next meeting.

Guests included Arthur Moberg, Isadore Stein, and Warren Morrison, of Escanaba; Roger Oberg, of Oxford, Mich.; Carl Iverson, of Ferndale, Mich.; Herbert Mayrand, of Detroit; Lyle Montgomery, of St. Paul; Anton Van Bruegel and Chris Van Boetelaer, of Holland.

City Briefs

Mr. and Mrs. Fred Burch, 1409 Delta Ave., have returned from North Manistique Lake where they have been vacationing for the past week. Also camping on the lake were Mr. and Mrs. Paul DuRoy, Mr. and Mrs. Clarence Naylor and son; Mr. and Mrs. James Marshall and family and Mr. and Mrs. Gordon Marshall and family.

Carol Ivory, daughter of Mr. and Mrs. Grier Ivory, 1024 Lake Shore, left Monday to attend the National Conference of Methodist Youth at Purdue University, LaFayette, Ind. The Rev. Robert Selberg, pastor of Central Methodist Church, Escanaba, accompanied the delegates on the trip.

Mrs. Lynn Kindy and daughter, Kay, of Battle Creek, and Mr. and Mrs. Larry Murphy and children, Kathie, Margot and Wesley, of Fairgrove, Mich., left Monday for their homes after vacationing with Mrs. Lorraine Murphy, 802 Michigan Ave., and with Mr. and Mrs. Mike Goodman.

The Gladstone City Commission heard a report of satisfactory progress on the storm sewer project at its meeting in city hall Monday night from Klass Knoll, resident engineer for Williams & Works, consultants for the city.

City Manager H. J. Hendrickson was authorized to make monthly payments as the work progresses. Knoll illustrated the progress of the storm sewer work with a map showing the total program and the completed work. He assured the commission that the streets and terraces being torn up in the construction would be restored to their former condition.

Communications were received from the Planning Commission on improvement of the road from U.S. 2 to the Gladstone Golf Club and a communication will be sent to the Delta County Road Commission asking that the recommended work be done. A copy will be sent to Delta County Board Chairman Charles Sedenquist, who earlier indicated that Wells Township might have funds which could be used for the work.

The road into the golf club from the county road will not be in the project and a letter will be sent to the club asking its participation if the city should apply an asphalt coating to this half mile of road.

The Steel Fabricating Co., a former tenant in the Gladstone industrial park, asked the commission for an extension of its \$1,000 note. It said it would pay \$500 now and the rest in September. The commission approved the payment plan.

The Commission adjourned and reconvened as a zoning appeal board and heard a request from Mr. and Mrs. Robert Bricker, 404 Wisconsin Ave., who proposed to remodel a shed attached to their home into a bedroom. They requested permission on a hardship basis as they have four children in one bedroom. The addition would be two feet from the lot line; closer to the line than zoning permits.

The building is non-conforming at present, but the usage would be changed. A public hearing will be held at the next meeting of the commission Aug. 10 when objections will be heard.

Brampton Won't Have Primary

Since there was no opposition in candidates filing petitions for nomination for Brampton Township offices, the names of the incumbents will not appear on a ballot for the primary election on Sept. 1.

Incumbents include, Joseph Goodman, supervisor; Harold Lund, clerk; Flora Larson, treasurer and David Soderman, trustee.

The deadline for filing nomination petitions was Tuesday, July 21.
